REGISTERED HEREFORD CATTLE

Branded Herefords Spotlited at Star Lake Sale

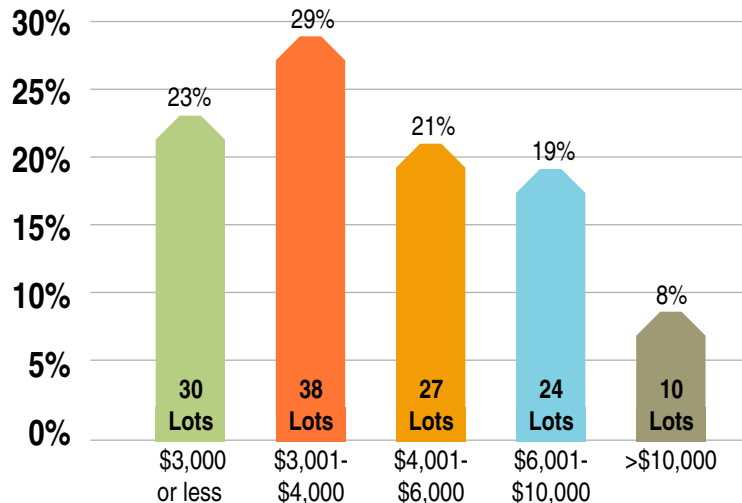

Herefords are in demand, and on May 21, 2011, at Skiatook, OK, cattlemen came from near and far for the Branded Herefords™ at Star Lake Cattle Ranch. After receiving much-needed rain earlier in the week, the weather cleared sale morning for the large crowd. Buyers from 28 states, Canada and Uruguay quickly snapped up the young pairs, show heifer prospects, donor cows and bulls in every price range starting with the first and through the last in the ring. Cattlemen not in the stands bid aggressively through Superior on RFD-TV and through LiveAuctions.tv, with a big contingent of cattle selling that way. The embryo and semen auction at the pre-sale party Friday evening was especially strong, bringing over \$100,000 to the sale total. We appreciate all the bidders and buyers for making this such a positive Hereford event at Star Lake. The sale average breaks down as follows:

	Gross Sales	Average
5 1/3 Bulls	\$74,900	\$14,053
120 1/2 Females	\$655,900	\$5,443

142 Frozen Embryos	\$94,875	\$668
