REGISTERED HEREFORD CATTLE

Ranch Ready Bull Sale Averages \$4,186

Bidders at the Star Lake Ranch Ready Bull Sale were looking for Hereford bulls to meet the economic demands of their operations. They found them in the big, stout, growthy yearling Ranch Ready Bulls and in the top-cut, extra powerful spring bull calves. These calves will be the candidates for Star Lake Cattle Co.'s 2010 Denver Carload of Bulls. There was a large crowd on hand for the Oct. 18th sale at the ranch in Skiatook, Okla.

Bright Future sons were the two top selling bulls, and held a number of other spots on the high sellers' roster. The sale topper at \$40,000 for one-third interest was STAR TCF Shock & Awe 158W ET, a herd sire candidate out of power cow MSU Apollonia 10M. His buyer was Buffalo Bend from Lawrenceburg, Tenn.

The next high sellers were another Bright Future son that sold to Lamb Bros. Beef, Menomonie, Wis., and Towner Farm, Girard, Kan., followed by a Reload son that sold to Turkey Feather Ranch, Ada, Okla.

In addition to the buyers in the stands, there was active bidding and many purchases online through Superior Auctions and LiveAuctions.tv. The volume Ranch Ready bull buyer was Circle H Ranch, Marshall, Ark.
