Top Demand for Star Lake Females

Show heifer prospects carrying the genetics to be brood matrons were the hot ticket at Star Lake's Fall Celebration Female Sale on Oct. 18, 2009, in Skiatook, Okla. The stands were full and bidding was brisk throughout the offering that featured spring ET heifer calves and spring calving cow-calf pairs.

The top three selling lots came from the renowned Keysha cow family. Leading the group was a daughter of Denver Supreme Champion Valedictorian that sold to Mallory Phelps for \$55,000. A 3 year old full sister to Valedictorian and her Titleist heifer calf were next in line at \$44,500, with the calf going to Mallory Phelps and the cow to Thud Ridge Farm. The third high seller was a January Keysha daughter that sold to Patrick Duddy for \$28,000.

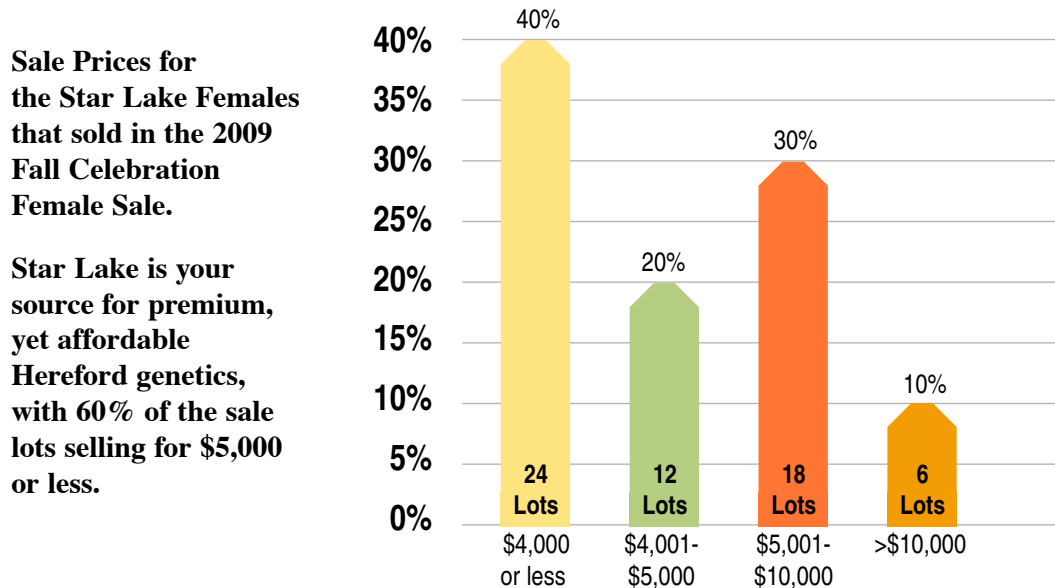

Additional high sellers were January show heifer prospects sired by Legacy and Bogart. Turkey Feather Ranch selected half interest in the Legacy calf for \$25,000, and Diane Heaton purchased half interest in the Bogart calf for \$20,000.

After a rainy fall, the weather cleared for a beautiful sale day. Along with the buyers in the stands, there was abundant activity online from LiveAuctions.tv and Superior Livestock. Volume buyers were Buffalo Bend, Lawrenceburg, Tenn., and Bent Creek LLC, North Royalton, Ohio.

The sale average breaks down as follows:
